Staff Sergeant Norman Ellis Joins Ranks of Andover's War Hero Dead

Andover's roll of hero dead was again added to this week with the announcement that Technical Sergeant Norman D. Ellis, 23, husband of Mrs. Barbara (Parker) Ellis of Clark road, Ballardvale, had been killed in action in Italy. He had been stationed in Italy for the last eight months and was killed July 17.

Before he gave his life, Sergeant Ellis had done more than the ordinary soldier's share toward making the lot of the Nazis a sorry one. On one occasion he and three others wiped out an enemy patrol and captured two German prisoners in a mine-filled shack. About two weeks before his death, he was commended for leading six men in

the capture of a German machine gun nest, thereby forcing an opening in the German lines and enabling his unit to move up and take an important hill.

He was married to Barbara Parker on October 6, 1943, and went overseas in November. He had seen action at Cassino and Pisa.

Besides his wife he leaves his father, Victor W. Ellis of Somerville, his grandmother, Mrs. Emma C. Johnson of Arlington, and his grandfather, Albert Ellis of Merrimac.

On Monday morning a memorial mass of requiem was celebrated in St. Augustine's church for Staff

Ruth Hayes With First Red Cross Workers in France

WASHINGTON, D. C. — Ruth Hayes, of Phillips street, and Pasadena, Calif., was among the first 300 American Red Cross workers to reach the Cherbourg Peninsula to serve invasion troops in that area, it was announced by American Red Cross National Headquarters here.

Miss Hayes, along with others who previously served American armed forces in England, arrived at Cherbourg by army transport and immediately took up her duties as a recreational worker.

At least sixteen American Red Cross clubmobiles are now in operation on the beachhead in Normandy, a leave club has opened in Cherbourg, two more are about to open, and other Red Cross services to the armed forces are in full swing, Harvey D. Gibson, commissioner, cabled from London. In addition, Gibson revealed that eight field clubs are already in operation.

"Women recreation workers are operating with all evacuation hospital units, and all field directors have been assigned, many having landed during the first days of action," Gibson said.

Rehabilitation Office Opens at Town House

Andover's new rehabilitation office was opened in the town house on Monday, with Frank Markey in charge. On the first day twelve veterans came to discuss various problems.

There will be a separate folder in the files for each veteran who calls at the office, this to be supplemented by a file Mr. Markey has gathered during his many years of service to veterans of World War I.

Red Cross Awaits September Quota

The Andover Red Cross rooms are closed until the arrival of the September quota of surgical dressings, which is expected to be very large. The local officials extend their gratitude to the many loyal workers who have helped complete the present quota, and urge them to watch for the date of the reopening of the Red Cross rooms.

How The Andover Service Men's Fund Association Was Started

In the late summer of 1942 an energetic group of Andover citizens representing the civic and fraternal organizations of the town met in the Town House, where Mr. John Erving outlined to them a suggestion for forming a committee to serve in a similar capacity to the Comfort Committee which Andover had in World War I. Mr. Erving recalled the many pleasant memories he had of the letters of remembrance which he had received from this committee while he was in service and thought that there was a definite need for a similar committee in the present time of war. His outline was enthusiastically received and he was named chairman of the committee. In the spring, after a series of very successful money raising events, it was decided to form a permanent organization and in April of 1943 the A.S.M.F.A. was duly formed. Mr. J. Everett Collins was elected to serve as President. Under his leadership the organization has continued to progress, receiving the full and hearty support of all civic and fraternal organizations and Andover citizens. The present officers are: Pres., Selectman and Rep. J. Everett Collins; Vice Pres., H. W.

Man-Hating Women Subject of Operetta In Opera Garden

Tickets are selling very well for the performance of Gilbert and Sullivan's "Princess Ida," to be given at the Opera Garden on Porter road, August 21, 23 and 25. Rehearsals are being held very frequently and the large cast promises to do justice to the operetta, which although not as well-known as some of the Gilbert and Sullivan masterpieces, has a very interesting story and such familiar songs as "Oh, Goddess Wise" and "Merrily Ring the Luncheon Bell."

The story revolves around Princess Ida, who, at the advanced age of one year, was engaged to Prince Hilarion. The action begins twenty years later, with Prince Hilarion and his father, King Hildebrand, waiting on the pavilion of the palace to see what two decades have done to his baby bride-to-be.

King Game, Ida's father, arrives without her, and tells Hilarion that Ida now rules a woman's university, called "Castle Adamant," within whose sacred precincts the headmistress and her lovely pupils have forsworn wicked men and resolved never to become married. Hilarion and his companions, after chafing

Priscilla Glines, Pfc. of the Spars, has returned to Cleveland, Ohio, after spending a 10-day furlough with her parents, Mr. and Mrs. Roland Glines of Bartlet street.

Got a nice letter from **Lt. Ray Schlapp** of the U.S.S. Wisconsin. Ray was representative before he entered the service, and his wife now holds the position.

Sgt. Douglas R. Crocket, who stopped a bullet in one of the New Guinea campaigns, is now proudly exhibiting said bullet as a souvenir of the battle. It was taken from his knee at the Cushing General hospital, Framingham, where he is convalescing after 28 months service in the South Pacific area.

RECEIVES AIR MEDAL

Second Lieutenant Leslie H. Hadley, son of Mr. and Mrs. Leslie L. Hadley, 32 Chester street, Ballardvale, has been awarded the Air Medal for meritorious achievement in combat over Europe by Lieutenant-Colonel Lorin L. Johnson of Payson, Utah, Liberator group commander. The citation read in part:

"For exceptionally meritorious achievement, while participating in bomber combat missions over enemy-occupied Continental Europe. The courage, coolness and skill displayed by this man on these occasions reflect great credit upon himself and the armed forces of the United States."

Lieutenant David Thompson, USNR, writes that his Christmas package from the Servicemen's Committee also did some traveling. However, it finally reached him in France where it was most welcome.

From New Guinea **Frank Dodge, Jr.**, writes that he had a few days respite from "work" while awaiting transportation and described a coconut grove as the locale.

Paul V. Medolo, son of Mr. and Mrs. Joseph Medolo, of Highland road, has graduated with a class of pilot cadets at Ellington Field, Texas, trained in the operation of twin-engined planes. They will be given duty assignments following additional training. He is commissioned as a Flight Officer.

Ensign Helen Harkin, USNC, is home on a 15-day leave with her mother, Mrs. Margaret Harkin on Sweeney court. Helen spent 11 months in New Caledonia, and will return to duty at the U. S. Naval hospital at St. Albans, N. Y., on expiration of her leave.

Second Lieut. Mary Winslow wrote a lovely letter from Sardinia in which she described one of the trips she had taken in the region, the native costumes, scenery, etc. From the sample letter that we read, it sounds as though Mary will have plenty to tell her folks about her travels. This one described a village where the native costume is worn all the time. She was persuaded to don one and her account of it follows: "First we put on a white shirt, starched very stiff — this had a petticoat attached, then a skirt of heavy orange flannel, with large panels of embroidery, then an apron—red and blue with more fancy work. The jacket had long sleeves with slits on the side, through these slits the starched shirt was pulled so they puffed out on each side, then a vest and finally a bonnet with a bow tied under the chin." (Pictures coming in a future issue.)

Douglas N. Howe has advanced from ensign to lieutenant (j.g.) in the Naval Air Corps, Norfolk, Va. The news of the birth of a son to the Howes was almost coincidental with the promotion.

The Boston Navy Yard A. A., current leaders of the Boston Park league, winners of 41 games, five ties and five losses, were no match Sunday for the scrappy Andover Town team, who downed them, 11 to 1, behind the seven-hit pitching of Jerry Lavoie, his 12th win of the season. Jerry struck out nine of the visitors, and gave out one free pass. The one run was unearned.

The Townies were hard hitting, gaining 16 hits, four for Frank McEvoy in five chances, three out of four for Warren Schiller. Bill Glendenning, Don Hebsch, and Russell Dubois each had two hits, along with Jerry Lavoie. However, Jerry's were triples.

Art Moher and Walt Gartside again flashed in a beautiful double play and Art snapped off a sure run with a perfect peg to the plate.

The visitors had to use two pitchers. McGee yielded five runs and 11 hits in five innings. Lawrence gave up six runs and five hits in three innings.

The locals are playing great ball, and despite Coach Wennik's desire to bring the strongest teams available to Andover, they all seem alike to the Townies. Jerry Lavoie has been mowing the opposition down with regularity.

NEWS OF OUR MEN AND WOMEN IN UNIFORM

Andrew P. Hamilton, Jr., son of Mr. and Mrs. Andrew Hamilton, 8 Harding street, and **Frank R. Strong**, son of Mr. and Mrs. Carlton Strong of 8 Stonehedge road, have completed their flight training course and have been designated naval aviators to go on active duty shortly at one of the Navy's air operational training centers before being assigned to combat duty. They received their Navy "Wings of Gold" and were commissioned ensigns in the Naval Reserve at the Naval Air Training Center, Pensacola, Florida last week.

We had a letter from **Hugh Davey** who's with the Royal Canadian Air Force. "...I was walking back to camp when a U. S. Army truck picked me up and about 100 yards down the road they stopped for **Tommy (Dole)**. We recognized each other right away. I went to his camp with him and we had quite a talk about Andover. I also went to town one night with him."

Everett Dearborn, F1/c, has moved from Ames, Iowa, to Beloit, Wisconsin.

Private Gordon Cannon writes from New Guinea that **Ken Robinson** from North Andover is sleeping in the same tent with him. Says they have a great time talking over things they used to do back home.

Arthur Sweeney, Jr., son of Mr. and Mrs. Arthur Sweeney, 64 Central street, is completing his training on a Liberator bomber at Pueblo Army Air Base. He is the bombardier of his crew, and is expected to serve overseas soon. Arthur entered the service in February, 1943.

Second Lieutenant Willard H. Currier, formerly at Camp Carson, Colo., has been selected to attend the officers' survey course of the field artillery school at Fort Sill, Okla. He is the son of Mr. and Mrs. Willard A. Currier, 9 Kensington street.

Every once in a while some of our town citizens and some of our town officials seem to take delight in taking a dig at Phillips academy. We've heard around town of a couple of incidents lately, incidents which when tracked down, have no basis in fact or authenticity. However, truth doesn't seem to stand in the way of some minds.

Probably we've gotten too accustomed to the benefits we get from Phillips academy; probably we're taking for granted the honor that Phillips academy brings to our town. We overlook the charm that its buildings and its superbly-kept grounds give to Andover! we overlook the business that some 700 boys and over a hundred teachers and administrators bring to Andover; we overlook the treasures that come here from all over the country to the Art Gallery; we overlook the internationally-famous performers and lecturers that come to the stage of George Washington Hall. Some of us grumble because some Phillips academy teachers lend their aid in town civic affairs; thank the Lord we have them to lend their aid, because most of us are too lazy or too uninterested to give a hand.

When the boys come home from all over the world, the chances are that they will be able to tell you of people whom they met who, when they said they came from Andover, immediately spoke of Phillips academy. And it's very certain that these people from all over the world don't know Andover because of some members of the Board of Public Works or the Board of Health or the School Board, be-

cause without Phillips, Andover would be just as small a town as some of the minds that are now trying to run it.

No Time To Let Up

It's beginning to look as if Andover's womenfolk are going back on the job. A canning center is being conducted at the Free church, just as it was last year—the only difference being that the attendance is dishearteningly less than it was last year.

You don't suppose that Andover's female population has been fooled into the assumption that because we're winning victories all over the globe we don't need their canning products. There is actually more need than ever, and when the war is over, the need will be even greater. Today we're feeding an army, our civilians, and some of our allies; tomorrow we're going to have to feed all these, and in addition the millions who, under Hitler's yoke, have been starving. There is a great responsibility there, and it's not going to be taken lightly.

But it is being taken lightly now. We must have even more home-canning than we did last year, or next winter there will be many times when we'll wish that we had. Start now, ladies; get up to that canning center as soon as possible.

Court St. Monica, Catholic Daughters of America, will hold an outing next Wednesday at Salisbury Beach. Those who are going are asked to be at the corner of Essex

Retired Treasurer Of Academy Dies

James C. Sawyer, who as treasurer of Phillips academy had a very important role in the physical building-up of the schools in the twenties and early thirties, died suddenly Tuesday afternoon. A resident of Durham, N. H., Mr. Sawyer had been in Boston and was returning by train when he was stricken by a heart attack. Removed from the train at Lawrence, he was pronounced dead on arrival at the Lawrence General hospital. "Jimmie" Sawyer was a classmate of "Al" Stearns at Phillips academy, graduating in 1890. He became treasurer in 1901, seven years after his graduation from Yale. Later "Al" became headmaster, and the two teamed up to transform Phillips academy into its present day state of beauty. Thomas Cochran, who provided a great deal of the financial aid needed for the many buildings, and George B. Case, who gave the Memorial Cage, were also in his class.

He was born in Dover, N. H., in 1872, the son of Charles Henry Sawyer, governor of New Hampshire from 1886 to 1888 and woolen manufacturer, and Susan Ellen Sawyer. He was vice-president of the Andover National bank and the Merrimack Mutual Fire Insurance company from 1912 to 1934. He was also active in the Society for the Preservation of New England Antiquities, of which he was vice-president, and he was a member of the Union Club of Boston and the University Club of New York city.

Surviving are his wife, Mary (Frost) Sawyer, who was with her husband when he was stricken; two sons, George F. Sawyer of Andover, an officer in the First National Bank of Boston, and Charles S. Sawyer, former curator of Addison Gallery of American Art, Andover, later director of Worcester Art museum, now serving in England with the armed forces.

The funeral will be held privately on Monday and cremation will take place in Harmony Grove, Salem. The ashes will be buried in Pine Hill cemetery, Dover, N. H.

Lynn, Portsmouth On Town Schedule

Thursday night the Town team will meet the Lynn Seals, whom they defeated in April, 7 to 5, but who of late have added strength to their club and have won 10, tied the Boston Colored Giants and lost one in their last 12 games. Coach Wenik will send Jerry Laviole back on the mound for win No. 15, and the regular team will be on the field. This is a difficult mid-week game in view of Sunday's game with the fast traveling Portsmouth Marines, who pinned a 9 to 3 defeat on the Townies earlier in the season. The Marines defeated a good Harvard club Saturday and Dartmouth earlier in the season. These Leatherneck veterans, under Lt. John Papurca, ex-Purdue star, know the game, and how it should be played, and have no intentions of letting the Townies even the score. They will be the guests of the Townies at Andover Inn after the game. They are a grand bunch of boys, representing 11 states of the union.

SILVER WEDDING

Mr. and Mrs. Harry C. Bryant, 876 South Main street, were honored by relatives and friends at a candle-light dinner party observing their silver wedding anniversary last Sunday night at the family home.

The couple were married in the Calvary Baptist church in Lawrence by the pastor, Rev. York King, on July 30, 1919. They have three daughters, Marion, employed at the Tyer Rubber Company, Esther, secretary to the superintendent of schools, and Bernice, a Junior high school student.

Among the guests were the bridesmaid and best man at the wedding, Mrs. Charles Black of Melrose, and William Bryant of Methuen.

Miss Flora Ellis of Watertown has been visiting Mr. and Mrs. Franklin Ellis of Elm street.

spot where the A.S.M.F.A. Home
Service stepped in to bridge the
span. This is an organization that
is bigger than its printed by-laws
and objects, bigger than its officers,
and members; it is Andover, the
heart of Andover throbbing for
each man and woman it has sent
forth to fight for each and every
one left behind.

Here's just one letter of over
3000. It surely tells a story.

"My Christmas package came yes-
terday, and, remembering my nice
package last year, I couldn't wait
until Christmas before opening this
one.

"What a great many nice things
it contained. I looked them over
carefully and then took out the soft
paper in the bottom—saw an en-
velope and opened it up. When I
saw what it was—a record, record-
ed by my family, I was just so
pleased I had to share my joy, so
I dashed to the nurse in the next
room to tell her all about it. There
was a phonograph in the next bar-
racks and we hurried right over to
play it. I do wish I might be able
to express the happiness the rec-
ord has given me. When I heard
their voices—so natural—just as if
they were there—in that grass
roofed hut here in the south seas!
I was so overjoyed I stood there
and cried and looked around at the
beaming faces of the nurses with
me. Word had got around that I
had a record from home, and the
room was fairly full of girls! The
record has been played over and
over—I even took it to my ward
to let the patients hear it! They
loved it—as it is certainly a real
bit of home to them.

When I think of each person in
the service from Andover, having
the joy and comfort that the record
will bring—it is all too wonderful.
It is difficult for me to know how
to thank you folks of Andover—
enough—but I do—sincerely.

The special gifts drive is now on.
